Ms. Hnátková has conducted a very interesting research. This thesis shows her researching abilities and her willingness to explore an area that interests her personally. The amount of time and energy the author invested in the preparation of materials and the research itself, as well as her enthusiasm and personal involvement is obvious from the whole work. As already mentioned above, the thesis is detailed, precise, coherent and carefully worked out. In my opinion it is **an excellent piece of academic writing** which I know required great effort on her part.
