Final Comments & Questions

Ms. Dlesková's thesis is a grand example of a high quality thesis. Ms. Dlesková stays focused on the topic of her research throughout the whole project, explores it in depth, and using her theoretical knowledge, she provides insights into needs of ESP instruction at forestry schools through her carefully planned interviews and materials analysis.

It is without any question that by completing this thesis, Ms. Dlesková developed a lot of expertise regarding teaching English for specific purposes. Anybody familiarizing himself/herself with the thesis will gain good understanding of core issues around ESP, especially topics and issues in teaching ESP at forestry schools.

I suggest that the author is awarded the grade "excellent" for her thesis project.
