When you buy Extr
Construction Equipment,
you get not only
high-quality products
but also excellent parts
availability from fac-
tory-trained Extr parts
professionals. Because
Extr Parts are specifi-
cally designed to meet
the requirements of Extr
Construction Equipment,
they extend the service
life of your machine.

NEW TECH

©EXStae engine

age

Our new A-Series EX470 crawler excavator are ready to build your world. Its Cummins B4.5 ©EXStage engine is the most powerful in its class, delivering 115 kW (155 HP) while also improving fuel efficiency by up to 11%.

SAFETY

ety Safe

The Extr approach to safety goes far beyond just meeting regulatory standards. We prioritise safety in every aspect of our machines and work our customers to keep improving protection for operators, co-workers, passers-by, surrounding buildings and of course the machines themselves.
