ABOJT THE PROJECT SCOPE OF THE PROJECT	Welcome to the Plan4all geoportal	INSPIRE Forum NEWS 2010-10-06
PARTNERS	The Plan4al geoportal provides the means to search for spatial data sets and spatial data services with regard to spatial planning, it allows the user to view and download spatial data sets (subject to access restrictions) and related meradata.	Competition in developing geogames - Walking in the maps - is here again!
PROJECT DELIVERABLES	This version is a prototype Plan4al geoportal and allows discovery and viewing of spatial data sets and services. The prototype Plan4all geoportal currently accesses a limited number of discovery and view services.	Do you have nice photos or videos from your wanderings? Make ≡ some interesting geogame! You

Figure 1 Plan4all Geoportal – official website.

The Plan4all Geoportal serves public information - project summary, consortium, objectives, status of the project, deliverables, pilot regions description, events and contact information. It includes RSS Feeds from the INSPIRE Forum, INSPIRE website, OGS news and GMES events.

All the news and articles published on the Plan4all geoportal are being disseminated through several social network sites including LinkedIn and Facebook. RSS feeds are posted to our INSPIRE Forum website.

Newsletters

The Plan4all consortium published next Plan4all Newsletter in December 2010 (see Annex I)

All the newsletters are distributed through the Plan4all network as well as the Plan4all mailing list for users and stakeholders (<u>info@plan4all.eu</u>).

Flyers

The Plan4all flyer (2xA4) was translated into Slovenian, Bosnian, Serbian Croatian and Macedonian. The translations cover in total 19 European languages. All of the translations are accessible at the Plan4all geoportal: <u>http://www.plan4all.eu</u>.

Statistics

Number of hits on the geoportal – approx. 100,000 per month Number of followers in social network sites – 280 members Number of registered people in the newsletter – 165 members/organisations
